

HYASSA GROUP

HYASSA GROUP is a well experienced group of companies established in 1975 including **T.C.L.** for the production of environmentally friendly industrial detergents and sanitizers, **RAMPEX** for hotel supplies, cleaning and maintenance services and **SUCCESS INTERNATIONAL** for hospitality training, auditing and image building and **TCL COATING** for the production of environmentally friendly paints and coatings, and **THE MEDIA ENTERPRISE** advertising agency.

HYASSA group offers integrated hospitality solutions

TCL (Technical Chemical Laboratories):

T.C.L. is specialized in producing environmentally friendly biodegradable industrial detergents and sanitizers, offering stewarding, housekeeping, laundry and swimming pools products in hotels, hospitals and food service institutions.

T.C.L.'s raw materials, formulations and know how are all from Hoechst, Clariant and BASF, Germany.

We at **T.C.L.** are proud to serve our partners the best quality while keeping in mind the environmental dimension as well as the safety and health of the staff dealing with our products, that's the reason why **T.C.L.** is certified with ISO 9001, ISO 14001 and ISO 45001.

TCL has different High-Tec production facilities and regional offices around the world including Egypt, United Arab Emirates, and Russia, as well as offices in Jordan, Saudi Arabia, Lebanon, Bahrain, Kuwait, Oman, Azerbaijan, Serbia, Sri Lanka, and India.

TCL is backed by a team of more than 5,000 professional and skillful engineers, doctors and workers in different countries working closely with our clients on improving their sanitation and hygiene standards.

T.C.L. did not stop there; however, it continued to develop more innovative and high-quality products to provide its valued clients the best available range of sanitation and hygiene chemicals.

T.C.L. has established a quality control department as well as a research and development department in Germany to maintain and keep its products quality and safety as the company is focusing on providing best solutions to more markets around the world.
